MIFID II product governance / Professional investors and eligible counterparties only

**target market** – Solely for the purposes of each manufacturer's product approval process, the
target market assessment in respect of the Notes has led to the conclusion that: (i) the target
market for the Notes is eligible counterparties and professional clients only, each as defined in
Directive 2014/65/EU (as amended, "MiFID II"); and (ii) all channels for distribution of the
Notes to eligible counterparties and professional clients are appropriate. Any person
subsequently offering, selling or recommending the Notes (a "distributor") should take into
consideration the manufacturers' target market assessment; however, a distributor subject to
MiFID II is responsible for undertaking its own target market assessment in respect of the
Notes (by either adopting or refining the manufacturers' target market assessment) and
determining appropriate distribution channels.
