MIFID II product governance / Professional investors and eligible counterparties only target market
– Solely for the purposes of each manufacturer's product approval process, the target market assessment in
respect of the Notes has led to the conclusion that: (i) the target market for the Notes is eligible
counterparties and professional clients only, each as defined in Directive 2014/65/EU (as amended, "MiFID
II"); and (ii) all channels for distribution of the Notes to eligible counterparties and professional clients are
appropriate. Any person subsequently offering, selling or recommending the Notes (a "distributor") should
take into consideration the manufacturers' target market assessment; however, a distributor subject to
MiFID II is responsible for undertaking its own target market assessment in respect of the Notes (by either
adopting or refining the manufacturers' target market assessment) and determining appropriate distribution
channels.
