

## Environmental and Social Review Summary (“ESRS”) Abraaj Latin America Fund II, L.P. – Regional

**Original language of the document:** English  
**Issuance date:** April 2021

1. This is a category FI-2 project according to the IIC’s Environmental and Social Sustainability Policy because the subprojects in the Fund’s current or future portfolio are considered medium risk. Companies in which the Fund invests shall be in compliance with the IIC’s list of excluded activities and with all applicable laws, regulations, and standards regarding the environment and occupational health and safety. To enable Abraaj to better understand the IIC’s requirements, Abraaj will be required to attend the IIC’s environmental training workshop for financial intermediaries. In addition, the Fund will be required to submit annual environmental reports to the IIC.

One of the basic principles of the Fund’s investments is the implementation of best environmental, social, and corporate governance practices. Abraaj is signatory to the United Nations-backed Principles for Responsible Investment and the United Nations Global Compact. In 2008, the Fund developed the Abraaj Sustainability Index that measures the development impact of the Group’s investments according to six key factors, including parameters on health and safety, environment, and social impact. This index enables each company to track its own progress and thereby continue to improve with the support of Abraaj.
