

In accordance with the IDB Invest Environmental and Social Sustainability Policy, the Project has been classified as a Category C operation, as it generates minimal adverse environmental or social risks or impacts, and if such risks exist, their scope and severity will be limited.

The environmental and social review for the proposed Operation consisted of a documentary review on the Company's environmental and social performance over time, focusing on compliance with the following Performance Standards ("PS"): PS 1: Assessment and Management of Environmental and Social Risks and Impacts; PS 2: Labor and Working Conditions; PS 3: Resource Efficiency and Pollution Prevention; and PS 4: Community Health and Security.
