

This is a category III project according to the IIC's environmental and labor review procedures. Each investee company must comply with the environmental laws, regulations, and standards of the respective eligible jurisdictions, as well as with applicable IIC environmental and labor policies. Each company must also be in compliance with all the occupational health, labor, and safety laws and regulations of the eligible jurisdictions. The General Partner will certify that all investee companies will meet all applicable law, regulation and IIC policies regarding environmental, labor, and occupational health and safety.
